Public council of Russian Emergencies Ministry turns 7

7 years ago under the RF Presidential Decree No 842 the Public Council of the Russian Emergencies Ministry was established to coordinate cooperation between the Ministry and different associations and organizations.

The Public Council of the Russian Emergencies Ministry is a permanent consultative body, members of which shall convene no less than once every half of a year. Its meetings prepare proposals within the framework of implementation of state policy in the area of civil defense, protection of people and territories against natural and industrial emergency situations, provision of fire and water safety.

The Public Council is composed of representatives of different organizations and famous people of Russia. Among them are Chairman of the central council of Russian social movement "Civil Society" Anatoly Kucherena, Chancellor of M.V. Lomonosov Moscow State University Viktor Sadovnichy, General Director of TV Channel One Konstantin Ernst, People's Artists of Russia Mikhail Zhvanetsky and Lev Leshchenko and others.

The Chairman of the Public Council is President of Moscow Journalists Union, editor in chief of the Moskovsky Komsomolets newspaper Pavel Gusev.

The Russian Emergencies Ministry congratulates all the members of the Public Council and wishes them long years of effective work for the benefit of our homeland.
