**The Ferry "St. Stefan II" has arrived at the port of Ras Lanuf**

On instructions of the President of the Russian Federation evacuation of Russian citizens from the Republic of Libya is continued.

The Federal operational headquarters continues to work.

Since the beginning of the operation 481 people, including 330 citizens of Russia have been evacuated by the planes of the Russian Ministry of Emergency Situations.

The 2-nd phase of the operation continues.

The ferry "St. Stefan II" has arrived at the port of Ras Lanuf (Libya) to evacuate Russian citizens and foreigners working on contract with the Russian Railways,.

EMERCOM airplane with the task force and psychologists on board is ready to take off from Domodedovo airport to Tripoli (Libya) for the evacuation of Russian citizens and foreigners, who for various reasons did not leave the Libyan capital on 23 February.

112 people, among them 85 people and 7 pieces of equipment, including one aircraft from EMERCOM of Russia are involved in evacuation operation.
